

INVITATION

Industry Business Webinar: How to benefit from the digital society?

There is a possibility for you to step up as the Industry Business Webinar is taking place already on the **6th of October 2020**.

Join us online and you will hear how Estonia's digitally enabled infrastructure and IT expertise create world leadership in physical-digital combinations.

Over time the industrial sector has become more sophisticated and Estonia is emerging as a centre of excellence in industrial automation. Collaborative ecosystem is supporting rapid innovation, development and launch of solutions like data-driven manufacturing and intelligent monitoring.

Agenda:

- 15.00 - 15.05** Introduction by our host
- 15.05 - 15.20** Ida-Viru County Industrial Areas Development Foundation "Business cases of digital society" (presented by Vadim Orlov)
- 15.20 - 15.35** TransferWise "How to benefit from the opportunities of the digital society?" (presented by Julie Arnoux, Umi Miyahara and Liispet Kaisal)
- 15.35-15.50** Ernst & Young "Tax incentives" (presented by Ranno Tingas)
- 15:50-16:05** E-Residency „e-Estonia - Innovative Platform for International Business" (presented by Jaan Heinsoo)
- 16:05-16:15** Estonian Investment Agency "Key benefits of digital society" (presented by Andres Labi)

Introducing new solutions, solving industrial challenges, building strong relationships!
Powered by Estonian Investment Agency
